

ARABIAN HORSE ASSOCIATION

REGION I

August 2018

As I sit in the sweltering heat of July, I am reminded that I grew up on the Northeast Coast where the humidity is a lot worse than here. I guess when we were young the weather was not something we really worried about.

Our youth are at Youth Nationals and from what I have seen on Facebook they are doing well. Thanks to all the trainers that work with our youth and make learning how to ride enjoyable and fun. This is a sport that you can do for a life time, or leave and come back to later if that is what your life style dictates.

I am off to Denver for the Board of Director's August meeting, and will fill you all in at the August 18th delegate's meeting. This meeting is open to anyone that would like to attend and see how your delegates work together to get things done.

Our Region One Show was a success with our horse numbers up from last year quite a bit. We were up 54 horses from last year and I hope that the trend will continue for our 2019 show next May. If you have any ideas for our 2019 show, please let us know what they are. We may not always be able to use your ideas. But we are always willing to listen to what you have to say. This is YOUR show so get involved and help to make it a bigger and better show every year.

In the meantime, try and stay cool and safe with all the fires everywhere please have an evacuation plan in place in case you need it. I sincerely hope you don't, but better to be prepared.

Everyone stay safe and enjoy your four footed children!
