AHA

## Directors Message-

I hope everyone is staying cool. This has been a hot couple weeks. Hopefully, there is a break soon.

Congratulations to all our Region 1 members that showed at Youth Nationals/Mid Summer Nationals. It was great to be able to watch the classes online and see familiar horses and people bringing home the Roses!!!

Good Luck to everyone going to the Canadian Nationals. We look forward to seeing the results.

Our own Region 1 Horse show was such a success. Having 4 Arenas going is a challenge, but the quality of horses was definitely exceptional in all disciplines. We added the Patron Tents outside the main show arena and I hope everyone enjoyed the hosted Happy Hour on Friday and Saturday afternoons. It looks like a new tradition has started.

US Nationals Entry Deadline is August 18<sup>th</sup>!! Don't forget to get your entries in. This is the 60<sup>th</sup> Anniversary. Lots of special things will be happening.

Our next Region 1 meeting is August 12<sup>th</sup> at 6:30. Social 1/2 hour at 6:00. The zoom link will be sent out shortly.

Future Meetings will be.
